

CRISCO

For Frying—For Shortening
For Cake Making

Frying

There is no smoke nor odor. Fried foods are free from the taste of grease. They now are tasty and crisp. They are made more digestible, for Crisco is all vegetable. The same Crisco can be used to fry fish, onions, doughnuts, etc., merely by straining out the food particles after each frying.

Shortening

Crisco gives pastry a new flakiness and digestibility. Crisco always is of the same freshness and consistency. It's uniform quality makes for uniform results.

Cake Making

Crisco gives richness at smaller cost. It brings cake-making back to popularity. Butter bills are reduced and cakes stay fresh and moist longer.

LIHUE UNION RESUMES

The Lihue Union Church resumed services, Sunday School, etc., on Sunday, when there was a large attendance of the members and friends as well as a good many new comers. Every one seemed pleased to get back into the old routine of church attendance, and the children in particular were glad to have Sunday School, which they declared they missed very much during vacation.

The outlying Sunday Schools connected with the church, at Kipu and Aakukui, also resumed work under the care of Mrs. Hogg and Henry Wodemeyer, while Mr. and Mrs. Santos went to the Mahelona Hospital and conducted a simple children's Sunday School service there.

The Sunday School interests of the church held a meeting at the home of Mr. and Mrs. Lydgate on Friday evening and made plans for the coming year which will involve a material increase of the Sunday School work, and a series of bible tabernacles was planned for in connection with the various schools and camps contingent thereto.

NEWS NOTES BY COUNTY AGENT

T. Cunningham of Kapaa Homesteads, will start on the planting of his thirty acre pineapple tract next week. He claims it costs \$65 an acre to prepare his land for pines. He plowed four times with a Yuba caterpillar tractor, and harrowed once after each plowing. He also had to clear and burn off considerable trash.

Mrs. Julia Yap of Kapaa, has decided to plant cane on her homestead tract instead of pines, as she had at first intended.

Dr. Waterhouse of Koloa, intends to plant about seven acres of his homestead land in Lawai to corn. Dr. Waterhouse favors the white Guam corn, and has asked the county agent to get the seed for him.

"HIDDEN PEARLS"

This film romance, which will be presented this evening at the Tip Top and elsewhere during the week on Kauai, is not a Hawaiian play but a story of the South seas, the setting for which has been chosen in Hawaii. Fine views of the Volcano, Kalapana and elsewhere are given.

A beautiful American girl, a romantic south sea Queen, Tom Garvin, a half caste Islander and a handful of priceless pearls, form the substance of a soul stirring drama that, taken with the beautiful setting and fine acting of Sessue Hayakawa, ought to make an uncommonly attractive show.

Mr. T. C. McDonald, underwriter of the bonds of the Canadian Continental Coal Company arrived on Kauai this morning, and will remain about four weeks. He will be at the Lihue Hotel. Any one of his bond holders who desires any information in reference to the company may see him there.—Adv.

M. Nakata, chauffeur, formerly of Lihue, is now with the Irona Auto Stand, on Beretania St., near Nuuanu. He has a seven-passenger Pierce-Arrow car, and respectfully solicits the patronage of the Kauai people while in Honolulu. Telephones 196-5050.—Adv.

THE LIHUE LIBRARY

The Lihue Library has been all
overhauled during the vacation and is
now in good shape to serve the public.
The very trifling fee of \$1.00 a year
is required of those who use the
library, which may be paid to Percy
Lydgate. The library contains some-
what over 1500 very carefully selected
books of all kinds to meet the tastes
and requirements of all readers.
There is no junk such as may be
found in many libraries, and the books
are all high class and standard in
their various departments.

Has a very
Creamy Lather
as a result of
scientific Soap-
making.
Does not
waste.

MICHELIN

12 to 15% Extra Weight

ANY user will tell you that Michelin
Universals give remarkable mile-
age. Why? Because these unequalled
tires contain more quality rubber and
fabric.

Prove this by having us weigh a
Michelin in comparison with other
non-skids. You will find the Michelin
from 12 to 15% heavier than the average.
You owe it to yourself to give these
high-quality, moderate-priced tires
a trial.

KAUAI GARAGE
Mrs. J. A. Hogg, Proprietor

Michelin Castings are just as good as Michelin Red Inner Tubes,
which are often imitated in color but never in quality.
